

Project Design Phase-II

Data Flow Diagram & User Stories

Date	25 October 2022
Team ID	PNT2022TMID47627
Project Name	AI Based Discourse for vehical damage insurance
Maximum Marks	4 Marks

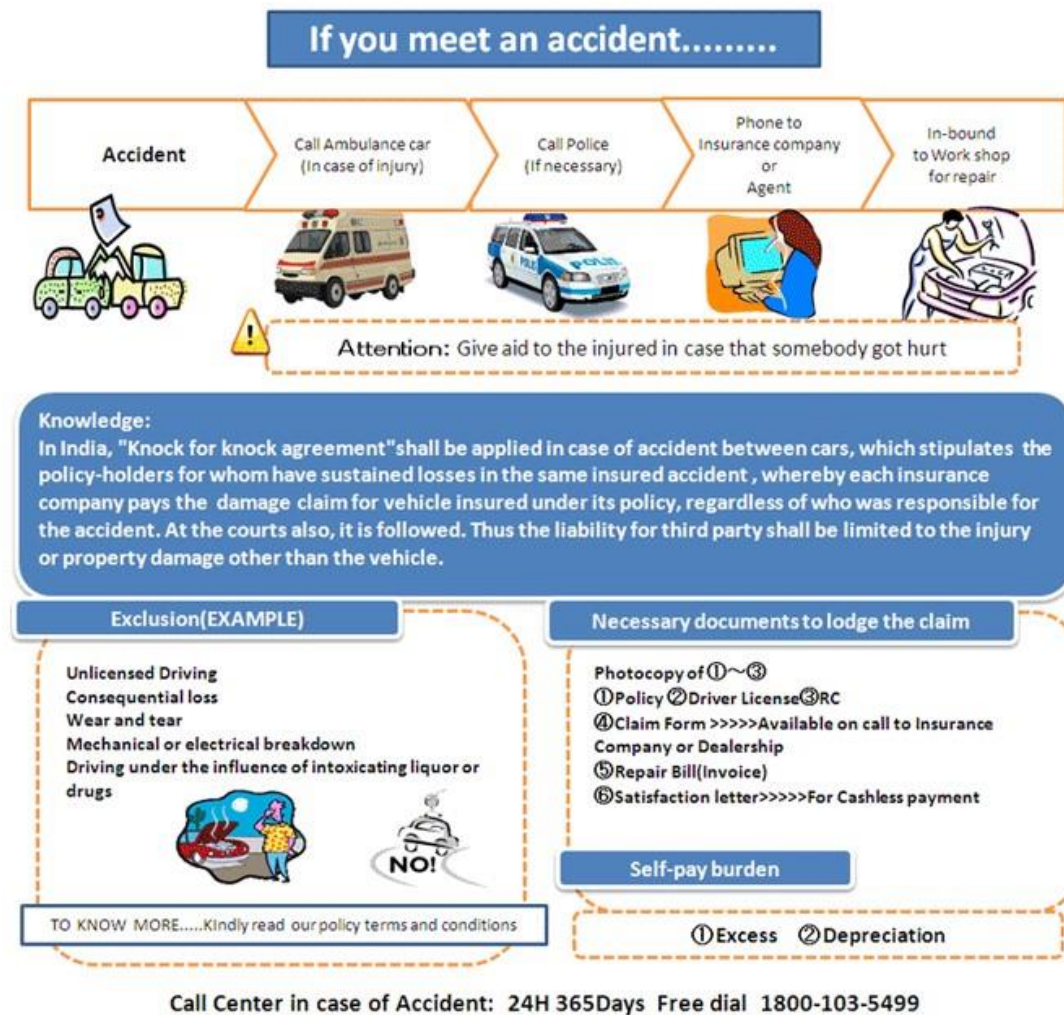

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.

User Stories

Use the below template to list all the user stories for the product.
